Board Members' Responsibility Statement

The board members are responsible for the preparation and fair presentation of the annual financial statements of dlalanathi, comprising the Statements of Financial Positions as at 31 December 2022, Comprehensive Income, Changes in Equity and Cash Flows for the year then ended, and the notes to the Annual Financial Statements which include a summary of significant accounting policies and other explanatory notes, in accordance with International Financial Reporting Standards for Small and Medium-sized Enterprises.

The board members are also responsible for such internal control as the board members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and for maintaining adequate accounting records and an effective system of risk management as well as the preparation of the supplementary schedules included in these financial statements.

The board members have assessed the ability of the non-profit organisation to continue as a going concern and have no reason to believe that the business will not be a going concern in the year ahead.

The auditor is responsible for reporting on whether the financial statements are fairly presented in accordance with the applicable financial reporting framework.

Board Members' Approval of the Annual Financial Statements

The Annual Financial Statements were approved by the board members and are signed on their behalf

REPORT OF THE INDEPENDENT AUDITOR TO THE BOARD MEMBERS OF DLALANATHI

Opinion

We have audited the annual financial statements of Dlalanathi, which comprise the board members' responsibilty report, the statement of financial position as at 31 December 2022, the statement of profit or loss and other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies and other explanatory notes as set out on pages 7 to 18.

In our opinion, the annual financial statements on pages 7 to 18 present fairly, in all material respects, the financial position of the organisation as at 31 December 2022, and its financial performance for the year ended 31 December 2022 in accordance with the basis of accounting described in note 1.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit of the financial statements section of our report. We are independent of the organisation in accordance with the Sections 290 and 291 of the Independent Regulatory Boards for Auditors' Code of Professional Conduct for Registered Auditors (Revised January 2018), parts 1 and 3 of the Independent Regulatory Board for Auditors' Code of the Professional Conduct for Registered Auditors (Revised November 2018) (together the IRBA Codes) and other independence requirements applicable to performing audits of financial statements in South Africa.

We have fulfilled our other ethical responsibilities, as applicable to performing audits in South Africa. The IRBA Codes are consistent with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) respectively. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Board Members' Responsibility for the Financial Statements

The members of the board are responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting as set out in note 1 to the financial statements. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

REPORT OF THE INDEPENDENT AUDITOR TO THE BOARD MEMBERS OF DLALANATHI

Board Members' Responsibility for the Financial Statements (continued)

In preparing the Annual Financial Statements, the members of the board are responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related going concern and using the going concern basis of accounting unless the organisation's board either intend to liquidate the organisation or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the annual financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the board.
- Conclude on the appropriateness of the board's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention to the auditor's report to the related disclosures in Annual Financials Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organisation to cease to continue as a going concern.

REPORT OF THE INDEPENDENT AUDITOR TO THE BOARD MEMBERS OF DLALANATHI

Auditor's Responsibility (continued)

- Evaluate the overall presentation, structure and content of the Annual Financial Statements, including the disclosure, whether the Annual Financial Statements represent the underlying transactions and events in the manner that achieves fair presentation.

We communicate with the members of the board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Supplementary information

We draw your attention to the fact that with the supplementary information set out on pages 19 to 61 do not form part of the financial statements and is presented as additional information. We have not audited this information and accordingly do not express an opinion thereon.

Report on other legal and regulatory requirements

In terms of the IRBA Rule published in Government Gazette Number 39475 dated 4 December 2015, we report that R E Buhr, a Registered Auditor, has been the auditor of Dlalanathi for 1 year.

The engagement partner on the audit resulting in this independent auditor's report is Rupert Erich Buhr.

RE Buhr Chartered Accountant (SA) Registered Auditor

Notes

- 1. The reserve was created to fund the existing owned fixed assets (equals the book value of fixed assets).
- 2. The reserve was created to fund the replacement of the existing owned fixed assets (equals the accumulated depreciation provided up to the date of the curent year end on the existing fixed assets)
- 3. The reserve was created to fund one months payroll in the event of timing differences between receiving donor funds and the projects starting. 4. The reserve was created for unforeseen events by taking 50% of donations received (being non-donor income) and retaining such amount in reserve. Once this reserve reaches the amount of 2 months payroll, no additional transfers will be made to it.

Accounting Policies

1. General information

dlalanathi is a non-profit organisation incorporated in South Africa.

1.1 Summary of significant accounting policies

These financial statements have been prepared in accordance with International Financial Reporting Standard for Small and Medium-sized Entities issued by the International Accounting Standards Board.

The principal accounting policies have been applied consistently with those applied in the prior year.

The financial statements are prepared on the historical cost basis, and incorporate the principal accounting policies as set out below:

1.2 Revenue recognition

The non-profit organisation recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the non-profit organisation therefrom.

1.3 Income taxes

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date.

dialanathi is registered as a PBO with the South African Revenue Services and as such is exempt from taxation in terms of Section 10(1)(cN) of the Income Tax Act.

1.4 Equipment

Equipment is initially recorded at cost and is depreciated on the straight-line method to write off the cost of each asset, or the revalued amounts, to their residual values over their estimated useful lives.

The depreciation rates applicable to each category of equipment is as follows:

	2022	2021
Computer equipment	33.33%	33.33%
Furniture and fittings	33.33%	33.33%
Motor vehicles	20.00%	20.00%

Residual value, useful life and depreciation methods are reviewed at each annual reporting period if there are indicators present that there has been a significant change from the previous estimate.

Accounting Policies

1.5 Impairment of assets

The carrying amounts of all assets are reviewed at each balance sheet date to determine whether there is an indication of impairment. If any such indication exists, the assets recoverable amount is estimated.

An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the income statement. An impairment loss is reversed if there is an indication that the impairment loss may no longer exist. The impairment loss is reversed only to the extent that the assets' carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised.

1.6 Financial instruments

Financial instruments at amortised cost

Financial instruments may be designated to be measured at amortised cost less any impairment using the effective interest method. These include accounts receivables, cash and cash equivalents, loans and accounts payables. At the end of each reporting period date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If so, an impairment loss is recognised.

1.7 Provisions

Provisions are measured at the present value of the amount expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as interest expense.
